

## “Other”

Riders who are not leasing or part boarding can book practice rides.

The unsupervised rate is \$25  
Available to riders who can catch, groom, tack up etc without help.

A supervised practice would be billed at the lesson rate of \$35

Horse Rental for shows is \$40 per day for those not leasing or boarding.

Pony Club Shows and Testing:  
Included in part boarding and leasing. If Pony Club members are here for summer residential camp, use of the horses for shows is included. If not, a per diem rate of \$40 to \$50 will apply. Regular Wits End students will receive the lower rates, Waussnodae members who are not regular Wits End students will be charged the higher rate.

(Please note that we already donate the use of the facility for pony club activities, and the use of the horses for meetings.)

Wits End is the host farm for Waussnodae Pony Club. For info about pony club visit:

### **Cancelled and No Show Lessons.**

Please give 24 hours notice when rescheduling **cancelled** lessons.

**No show** lessons.... Riders occasionally “forget” they have booked a lesson and don’t show up or call, and we are left here waiting. We can consider it “forgiveable” the first time it happens, however, if it becomes a frequent occurrence the lesson fee is forfeit.
